

## Key Vocabulary...

<b>Social justice</b>	People should be treated fairly whether they are rich or poor
<b>Human rights</b>	The rights all people should have and are entitled to because they are human.
<b>Prejudice</b>	Having an opinion which is not based on fact- judging someone based on a biased opinion.
<b>Discrimination</b>	Taking action against someone based on a prejudice
<b>Positive discrimination</b>	Treating someone more favourably because they have been discriminated against in the past to help create more equality of opportunity
<b>Religious freedom</b>	Being able to believe or practice a religion
<b>Religious expression</b>	Being able to worship and practice a faith freely without persecution,
<b>Persecution</b>	Being bullied and hated based on religious belief or race.
<b>Sadaqah</b>	Voluntary giving to charity, time or money, in Islam
<b>Exploitation</b>	Misuse of money or power to make others do things for unfair reward or treatment. Being paid unfairly or being charged too much interest on loans.
<b>People trafficking</b>	Illegal movement of people (modern day slavery).
<b>Emergency aid</b>	Help to support people in the short term due to a disaster or war
<b>Development aid</b>	Help and support to people over the long term to help tackle poverty.

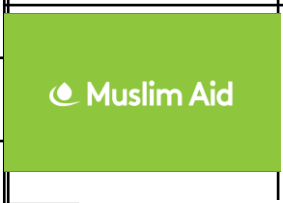

## Picture This...

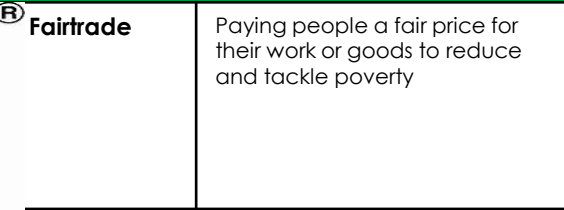

**Fairtrade**

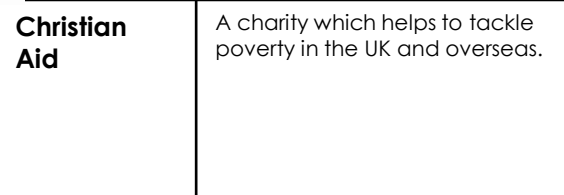

**Christian Aid**

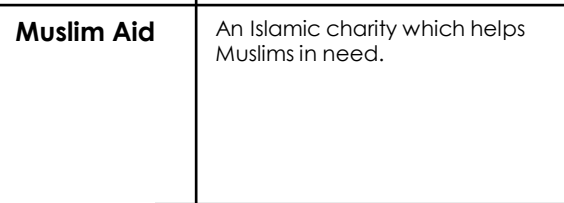

**Muslim Aid**

Paying people a fair price for their work or goods to reduce and tackle poverty

A charity which helps to tackle poverty in the UK and overseas.

An Islamic charity which helps Muslims in need.

## Always Remember...

It is a duty of a good Muslim to help the poor through Zakat and Sh'ia Muslims also give Khums. Christians believe they should do good deeds and help the poor as they are taught to do so by Jesus in the parable of the Sheep & Goats. All people are created equally and are entitled to human rights and should not be discriminated against or persecuted.

## Deeper Learning...

Create a connection map to show the links between Christian beliefs & Muslim beliefs and what they believe about wealth. Create a concept map about prejudice & discrimination referring to race, religion, sexuality and gender.
