1.0 AIMS

- 1.1** Schools are required under the Equality Act 2010 to have an accessibility plan.
- 1.2** The purpose of the plan is to:
- Increase the extent to which disabled pupils can participate in the curriculum
 - Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
 - Improve the availability of accessible information to disabled pupils
- 1.3** Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.
- 1.4** The plan will be made available online on the school website, and paper copies are available upon request.
- 1.5** Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.
- 1.6** The school supports any available partnerships to develop and implement the plan.
- 1.7** Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.
- 1.8** We have included a range of stakeholders in the development of this accessibility plan, pupils, parents, staff, governors and EPT.

2.0 LEGISLATION AND GUIDANCE

- 2.1** This document meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010.
- 2.2** The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.
- 2.3** Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.
- 2.4** Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.
- 2.5** This policy complies with our funding agreement and articles of association.
