## Respect | Responsibility | Ambition

Our wonderful and vibrant school is situated at the heart of our community and encompasses the strengths of the town's long history, with a culture built around our values of respect, responsibility and ambition.

We aim high at Atherton and expect high standards of behaviour and academic effort from all our pupils. We believe in encouraging our pupils to take responsibility for their actions, decisions and their future education to foster a culture of commitment to lifelong learning. We believe every pupil is an individual that can achieve extraordinary goals and we work tirelessly to achieve this ambition. However, we expect pupils to work even harder for their future. This is their responsibility.

We expose our pupils to culture beyond their experience, to build opportunities and develop a strong sense of self-worth and humility, to make positive contributions now, and in the future, to the communities to which they belong.

We are extremely proud of the first-class education we deliver for our pupils and staff. Please join us on **Thursday 6th October** to experience our Open Evening and visit [www.athertonhigh.com](http://www.athertonhigh.com) to find out more. We would be honoured if you choose to join us for the next stage of your journey in education.
