

Year 10 Geography

THE JOURNEY OF LEARNING

Year 11 Summer Preparation

End of Year Assessment

DIRT

Ext write: "For any named city you have studied evaluate the strategies employed to manage traffic congestion."

Sustainable urban development: Sustainable living in BedZed

Fieldwork

Urban change in the UK: New housing for Bristol

DIRT

Urban change in the UK: Creating a clean environment in Manchester?

Urban change in the UK: How can urban change effect the environment?

Year 10 Summer Term 2

DIRT

Ext write: "How is Manchester making use of changes in the city to promote economic growth?"

Urban change in the UK: How can urban change create economic opportunities

Urban change in the UK: How can urban change create social opportunities

Urban change in the UK: Introducing Manchester

Urban change in the UK: Where do people live in the UK?

Urban change in the UK: Environmental challenges in Manchester

Urban change in the UK: Social inequality in Manchester

Ext write: "Assess the causes and consequences of social inequality in Manchester?"

Urban change in the UK: Salford Quays regeneration

Sustainable urban development: Planning for urban sustainability

Sustainable urban development: Sustainable traffic management strategies

The urban world: Managing the growth of squatter settlements

The urban world: Economic challenges in Rio

The urban world: Introducing Rio

The urban world: An increasingly urban world

DIRT

Ext write: "To what extent are flood engineering schemes sustainable?"

Year 10 Summer Term 1

River landscapes Managing floods: soft engineering

River landscapes Managing floods at named location

River landscapes Factors increasing flood risk

River landscapes Managing floods: hard engineering

River landscapes River erosion landforms

River landscapes Fluvial processes

The urban world: The emergence of megacities

The urban world: Social challenges in Rio

The urban world: Improving Rio's environment

The urban world: Planning for Rio's urban poor

Ext write: "To what extent can the coastal management at a named location be considered a success?"

Coastal landscapes Managing coasts: managed retreat

Coastal landscapes Managing coasts: hard engineering

Coastal landscapes Managing coasts: soft engineering

Coastal landscapes Coastal management at Lyme Regis

River landscapes Changes in rivers and their valleys

River landscapes River erosion and deposition landforms

River landscapes River landforms on the River Tees

Year 10 Spring Term 2

DIRT

Coastal landscapes Coastal erosion landforms

Coastal landscapes Weathering and mass movement

UK Landscapes: The UK's relief and landscapes

Ext Write: International agreements are critical in the challenge to reduce global carbon emissions" use evidence to support this statement.

Climate Change: Human causes of climate change

Climate Change: What is the evidence for climate change?

Year 10 Spring Term 1

DIRT

Ext write: "Use one distinctive coastal landform to illustrate the erosive power of the sea"

Coastal landscapes Coastal erosion processes

Coastal landscapes Wave types and their characteristics

DIRT

Climate Change: Managing the impacts of climate change

Climate Change: Natural causes of climate change

Ext Write: "Describe the primary and secondary effects of a tropical storm. Use a named example and your own knowledge."

Year 10 Autumn Term 2

Weather Hazards: Extreme weather in the UK

Weather Hazards: Weather hazards in the UK

Weather Hazards: Somerset Level floods

Weather Hazards: Reducing the effects of a tropical storm

Weather Hazards: The structure and features of a tropical storm

Weather Hazards: Global atmospheric circulation

Weather Hazards: Where and how are tropical storms formed?

Weather Hazards: Hurricane Dorian

Tectonic Hazards: The effects of earthquakes

Tectonic Hazards: Distribution of earthquakes and volcanoes

Year 10 Autumn Term 1

Summer Holidays

Natural Hazards: What are natural hazards?

Tectonic Hazards: Physical processes at plate margins

Tectonic Hazards: Responses to earthquakes

Tectonic Hazards: Living with the risk of tectonic hazards

Tectonic Hazards: Reducing the risk of tectonic hazards

Ext write: "Explain how different levels of wealth and development affected the impact of the earthquakes in Haiti and New Zealand."

- Extended Write
