

Year 10 Geography

THE JOURNEY OF LEARNING

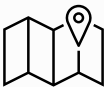

Geographical Skills

Fieldwork and Enquiry

Analysing and Presenting data

Map skills

Year 11 Summer Preparation

Urban change in the UK:
How is the London congestion charge reducing congestion?

Ext write: "Assess the success of an urban regeneration scheme you have studied"

Ext write: To what extent has urban change made opportunities in Manchester?

Urban change in the UK:
How has urban change created challenges in Manchester?

Urban change in the UK:
How has urban change created opportunities in Manchester?

Urban change in the UK:
Why is Manchester an important city in the UK?

Urban change in the UK:
Where are the UK's major cities?

Urban change in the UK:
What are the features of sustainable urban living in BedZED?

DIRT

DIRT

Urban change in the UK:
How has urban regeneration effected Salford Quays?

The urban world:
How has urban planning improved the quality of life for people in Rio?

Fieldwork:
How can we design an enquiry on Salford Quays?

Fieldwork

DIRT

The urban world:
What are the global patterns of urban change?

The urban world:
Why is Rio de Janeiro an important city?

The urban world:
How has urban growth created opportunities in Rio?

End of Year Assessment

The urban world:
What factors affect the rate of urbanisation?

Ecosystems:
How can tropical rainforests be managed sustainably?

The urban world:
How has urban growth created social, economic and environmental challenges in Rio?

Ecosystems: What are the causes and impacts of deforestation?

Fieldwork:
What conclusions can we draw from our enquiry on Salford Quays?

Ext write: "Evaluate the social, economic and environmental challenges in a place you have studied"

Ext write: Evaluate the flood management strategies implemented in an area you have studied.

Ecosystems: How are organisms interdependent in ecosystems?

Ecosystems: What is the climate like in tropical rainforests?

Ecosystems: How have organisms adapted in a TRF?

Ex Write: Using an example discuss the causes and impacts of deforestation in a TRF.

Ecosystems: What is the climate like in hot deserts?

Ecosystems: How have organisms adapted in a hot desert?

Coastal landscapes
How does managed retreat protect the coastline?

Ext write: "To what extent can the coastal management on the Holderness Coast be considered a success?"

DIRT

Year 10 Spring Term 2

River landscapes
How do fluvial processes shape the landscape?

River landscapes
How do erosional processes create landforms?

River landscapes
What factors increase the risk of flooding?

Ambitions Week

River landscapes
How do we manage flooding?

River landscapes
What landforms have been created on the River Tees?

River landscapes
How do depositional processes create landforms?

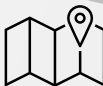

River landscapes
How does a river change downstream?

UK Landscapes:
What are the UK's physical landscapes?

Coastal landscapes
What are the different types of weathering and mass movement?

Coastal landscapes
How do erosional processes create landforms?

Coastal landscapes
Which management strategies are being used along the Holderness Coast?

Coastal landscapes
What landforms have been created on the Holderness Coast?

Coastal landscapes
How do we manage the coastline?

Year 10 Spring Term 1

Coastal landscapes
How do depositional processes create landforms?

Coastal landscapes
How do coastal processes shape the coastline?

Coastal landscapes
What are the characteristics of different waves?

Ext Write: Justify the most significant cause of climate change.

Climate Change:
How do we manage the impacts of climate change?

Climate Change:
What are the natural causes of climate change?

Ext Write: "The weather in the UK is becoming more extreme" Do you agree?

Year 10 Autumn Term 2

Weather Hazards:
What were the causes, effects and responses to the 'Beast from the East'?

Weather Hazards:
What extreme weather do we have in the UK?

DIRT

Weather Hazards:
What were the effects and responses to Hurricane Dorian?

Weather Hazards:
What is the global distribution of tropical storms?

Tectonic Hazards:
What were the effects and responses to the Haiti earthquake?

Tectonic Hazards:
What is the global distribution of earthquakes and volcanoes?

Year 10 Autumn Term 1

Summer Holidays

Tectonic Hazards:
What are the physical processes at the plate boundaries?

Natural Hazards:
What are natural hazards?

Tectonic Hazards:
What were the effects and responses to the Christchurch earthquake?
