

Year 11 Geography

THE JOURNEY OF LEARNING

Geographical Skills

- Fieldwork and Enquiry
- Analysing and Presenting data
- Map skills

- Knowledge rich
- Vocabulary rich
- Aspiration
- Character building
- Love of learning

Year 11 Results Day & celebrate

Year 11 leave

GCSE Exams:
Paper 1- Living with the physical environment
Paper 2- Challenges in the human environment
Paper 3- Geographical applications

Year 11 Summer Term 2

Year 11 Spring Term 2

Year 11 Summer Term 1

Year 11 Spring Term 1

Year 11 Autumn Term 2

Year 11 Autumn Term 1

Summer holidays

Issue evaluation: Pre-release study and decision making tasks.

Paper 3 Mock

Ex Write: Evaluate the reliability of the conclusions you have drawn from your physical fieldwork.

Fieldwork: How can we evaluate our river enquiry?

Fieldwork: How can we analyse data from our river enquiry?

Resource management: What is the carbon footprint of our food?

Resource management: How is the demand for food changing in the UK?

Resource management: What is the global distribution of food, water and energy resources?

Ex Write: "Suggest how the UK benefits economically and politically from its membership from the commonwealth"

Ex Write: Justify the best method of reducing the development gap.

The development gap: What strategies are there for closing the development gap?

Fieldwork: What conclusions can we draw from our river enquiry?

Fieldwork: How can we design a river enquiry?

Ex Write: Evaluate the DTM. Is it fit for purpose?

The development gap: How does the DTM show the development continuum?

Fieldwork: How can we draw evidenced conclusions from our river enquiry?

Fieldwork: How can we evaluate our Salford Quays enquiry?

Fieldwork: How can we analyse data from our Salford Quays enquiry?

Resource management: How is the demand for water changing in the UK?

Resource management: How is the demand for water changing in the UK?

Resource management: What is the global distribution of food, water and energy resources?

Ex Write: To what extent does the distribution of resources lead to inequality?

The changing UK economy: What is the N-S divide?

Ex Write: Justify the best method of reducing the development gap.

The development gap: What strategies are there for closing the development gap?

Fieldwork: What conclusions can we draw from our river enquiry?

Fieldwork: How can we design a river enquiry?

Ex Write: Evaluate the DTM. Is it fit for purpose?

The development gap: How does the DTM show the development continuum?

Fieldwork: How can we draw evidenced conclusions from our Salford Quays enquiry?

Fieldwork: How can we evaluate our Salford Quays enquiry?

Fieldwork: How can we analyse data from our Salford Quays enquiry?

Resource management: How is the demand for water changing in the UK?

Resource management: How is the demand for water changing in the UK?

Resource management: What is the global distribution of food, water and energy resources?

Ex Write: To what extent does the distribution of resources lead to inequality?

The changing UK economy: What is the N-S divide?

Ex Write: Justify the best method of reducing the development gap.

Ex Write: Justify the best method of reducing the development gap.

The development gap: What strategies are there for closing the development gap?

Fieldwork: What conclusions can we draw from our river enquiry?

Fieldwork: How can we design a river enquiry?

Ex Write: Evaluate the DTM. Is it fit for purpose?

The development gap: How does the DTM show the development continuum?

Fieldwork: How is geographical data analysed and presented?

Fieldwork: How is geographical data analysed and presented?

Fieldwork: How do you plan, analyse and draw conclusions from fieldwork enquiries?

Resource management: How are our energy sources changing in the UK?

Resource management: How are our energy sources changing in the UK?

Resource management: What are the economic and environmental impacts of our energy supply?

The changing UK economy: What are the environmental impacts of industry in the UK?

Ex Write: Compare the environmental impacts of industries in a HIC and LIC/NEE you have studied.

The changing UK economy: What are the environmental impacts of industry in the UK?

Ex Write: Justify the best method of reducing the development gap.

The development gap: How do we measure development?

Fieldwork: How can we design a river enquiry?

Ex Write: Evaluate the DTM. Is it fit for purpose?

The development gap: How does the DTM show the development continuum?

Fieldwork: How is geographical data analysed and presented?

Fieldwork: How is geographical data analysed and presented?

Fieldwork: How do you plan, analyse and draw conclusions from fieldwork enquiries?

Resource management: How are our energy sources changing in the UK?

Resource management: How are our energy sources changing in the UK?

Resource management: What are the economic and environmental impacts of our energy supply?

The changing UK economy: What are the environmental impacts of industry in the UK?

The changing UK economy: What are the environmental impacts of industry in the UK?

Ex Write: Justify the best method of reducing the development gap.

The development gap: How do we measure development?

Fieldwork: How can we design a river enquiry?

Ex Write: Evaluate the DTM. Is it fit for purpose?

The development gap: How does the DTM show the development continuum?

Food management: What strategies are used to make food supply more sustainable?

Food management: What strategies are used to make food supply more sustainable?

Food management: What are the strategies for increasing food supply?

Ex Write: Assess the impacts of the UK's energy mix.

Food management: What are the impacts of food insecurity?

Food management: What factors effect food supply?

Food management: What factors effect food supply?

Food management: What are the global patterns of food supply?

Ex Write: Discuss the factors effecting food supply globally.

Food management: What are the global patterns of food supply?

Ex Write: Evaluate the extent economic development has improved the quality of people's lives in Nigeria"

Ex Write: To what extent does economic growth have harmful impacts on the environment?

Ex Write: To what extent does economic growth have harmful impacts on the environment?

Ex Write: To what extent does economic growth have harmful impacts on the environment?
