

Year 8 Geography

THE JOURNEY OF LEARNING

Geographical Skills

- Fieldwork and Enquiry
- Analysing and Presenting data
- Map skills

Ex Write: Evaluate the effectiveness of coastal management strategies.

Coasts: What strategies can be used to protect the coastline?

Rivers: What are the processes in the hydrological cycle?

Mid Year Assessment

Year 8 Spring Term 1

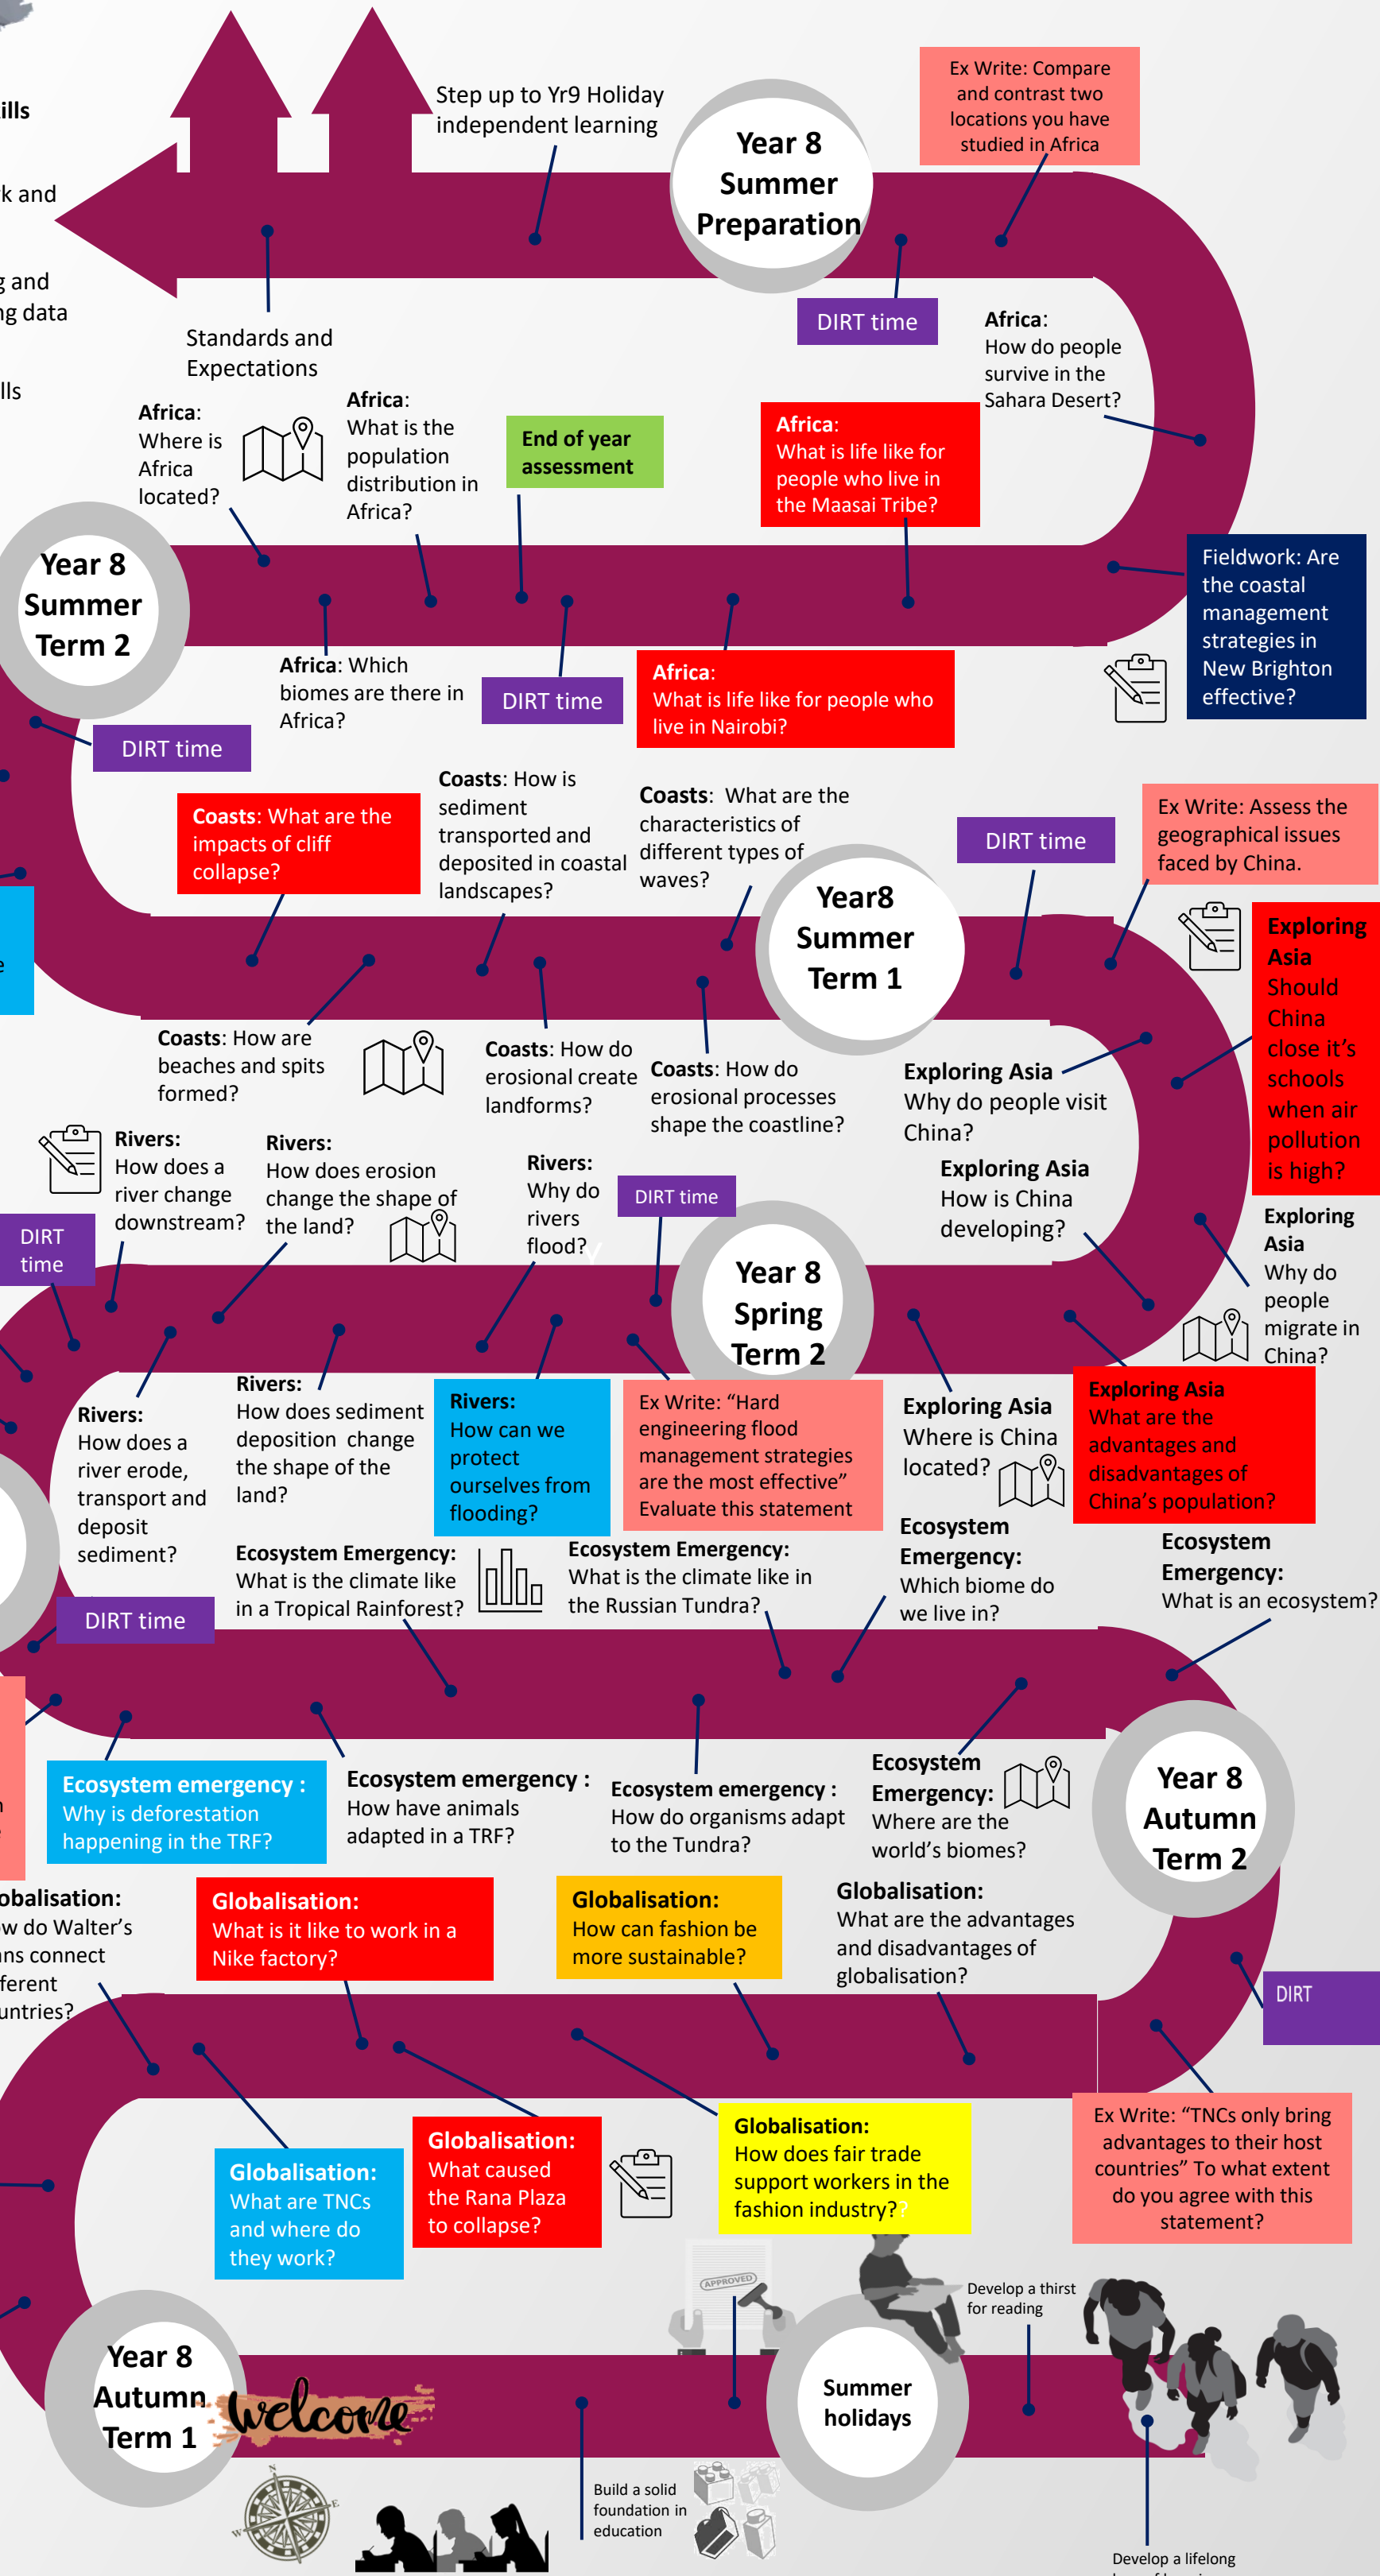

Ex Write: Describe the climate conditions in a biome you have studied and explain how organisms are adapted to these

Globalisation: How do Walter's jeans connect different countries?

Globalisation: Where are our clothes made?

Globalisation: What is the fashion industry?

Closed-Book Assessment

Standards and Expectations

Year 8 Summer Term 2

Year 8 Summer Term 1

Year 8 Summer Preparation

Year 8 Spring Term 2

Year 8 Spring Term 1

Year 8 Autumn Term 2

Year 8 Autumn Term 1

Summer holidays

Build a solid foundation in education

Develop a thirst for reading

Develop a lifelong love of learning

Africa: Where is Africa located?

Africa: What is the population distribution in Africa?

End of year assessment

Africa: What is life like for people who live in the Maasai Tribe?

Africa: How do people survive in the Sahara Desert?

Fieldwork: Are the coastal management strategies in New Brighton effective?

Africa: Which biomes are there in Africa?

Africa: What is life like for people who live in Nairobi?

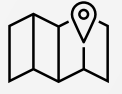

Coasts: What are the impacts of cliff collapse?

Coasts: How is sediment transported and deposited in coastal landscapes?

Coasts: What are the characteristics of different types of waves?

Ex Write: Assess the geographical issues faced by China.

Coasts: How are beaches and spits formed?

Coasts: How do erosional create landforms?

Coasts: How do erosional processes shape the coastline?

Exploring Asia: Why do people visit China?

Exploring Asia: Should China close it's schools when air pollution is high?

Rivers: How does a river change downstream?

Rivers: How does erosion change the shape of the land?

Rivers: Why do rivers flood?

Exploring Asia: How is China developing?

Exploring Asia: Why do people migrate in China?

Mid Year Assessment

Rivers: How does a river erode, transport and deposit sediment?

Rivers: How does sediment deposition change the shape of the land?

Rivers: How can we protect ourselves from flooding?

Ex Write: "Hard engineering flood management strategies are the most effective" Evaluate this statement

Exploring Asia: Where is China located?

Exploring Asia: What are the advantages and disadvantages of China's population?

Ecosystem Emergency: What is the climate like in a Tropical Rainforest?

Ecosystem Emergency: What is the climate like in the Russian Tundra?

Ecosystem Emergency: Which biome do we live in?

Ecosystem Emergency: What is an ecosystem?

Ex Write: Describe the climate conditions in a biome you have studied and explain how organisms are adapted to these

Ecosystem emergency: Why is deforestation happening in the TRF?

Ecosystem emergency: How have animals adapted in a TRF?

Ecosystem emergency: How do organisms adapt to the Tundra?

Ecosystem Emergency: Where are the world's biomes?

Year 8 Autumn Term 2

Globalisation: How do Walter's jeans connect different countries?

Globalisation: What is it like to work in a Nike factory?

Globalisation: How can fashion be more sustainable?

Globalisation: What are the advantages and disadvantages of globalisation?

DIRT

Globalisation: Where are our clothes made?

Globalisation: What are TNCs and where do they work?

Globalisation: What caused the Rana Plaza to collapse?

Globalisation: How does fair trade support workers in the fashion industry??

Ex Write: "TNCs only bring advantages to their host countries" To what extent do you agree with this statement?

Globalisation: What is the fashion industry?

Year 8 Autumn Term 1

Welcome

Summer holidays

Build a solid foundation in education

Develop a thirst for reading

Develop a lifelong love of learning
