

## Year 9 Geography

# THE JOURNEY OF LEARNING

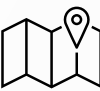

### Geographical Skills

Fieldwork and Enquiry

Analysing and Presenting data

Map skills

### Year 9 Summer Preparation

Independent project on data gathering and analysis

How can we use geography skills to solve real-world problems?

DIRT

Resources: What are the causes of food insecurity?

Resources: What is the global distribution of food?

DIRT

End of year assessment

Resources: Should Turkey dam the River Tigris?

### Year 9 Summer Term 2

Resources: What are the global patterns of water supply and demand?

Why are there not enough natural resources?

Ex Write: Compare and contrast traditional and modern lifestyles in Africa.

DIRT

Resources: What are the global patterns of oil production and consumption?

Resources: What happened in the BP oil spill?

Ext write: For a resource you have studied, evaluate if we use it in a sustainable way.

Ext write: "Desertification is largely caused by poor land management." Use evidence to discuss this statement.

Africa: Where is Africa located and which countries are in the north-east?

Africa: What is the population distribution in North-East Africa?

Africa: What is life like for people who live in the Maasai Tribe?

Africa: How do people survive in the Sahara Desert?

Africa: How does the River Nile support the population?

Africa: What is life like for people who live in Nairobi?

Africa: Which biomes are there in Africa?

What is life like in North-East Africa?

Hot Deserts: How similar is Antarctica to a desert?

Hot Deserts: What were the aims of the Great Green Wall and has it been successful?

Hot Deserts: What were the challenges of hosting the World Cup in Qatar?

Hot Deserts: What are the opportunities for development in hot deserts?

Hot Deserts: How are organisms adapted to live in hot deserts?

Hot Deserts: What are the characteristics of hot deserts?

How have humans adapted to live in hot deserts?

DIRT

Mid Year Assessment

### Year 9 Spring Term 1

Ext write: Assess the impacts of climate change and evaluate the strategies used to reduce these.

Hot Deserts: What are the challenges to development in hot deserts?

Hot Deserts: What are the challenges and opportunities in the Middle East?

Hot Deserts: What are the causes of desertification?

Hot Deserts: How do we reduce desertification?

Ambitions Week

### Year 9 Spring Term 2

Climate Change: How is the UK impacted by climate change?

Climate Change: Can the UK switch to renewable energy?

Climate Change: How is Tuvalu adapting to sea level rise?

Ext write: Assess the impacts of climate change and evaluate the strategies used to reduce these.

Climate Change: How effective are climate change policies?

Climate Change: How do we adapt to climate change?

Climate Change: How do we mitigate climate change?

Climate Change: How has climate change impacted Tuvalu?

Climate Change: Why are the impacts of climate change different around the world? (GIS)

Climate Change: What is the greenhouse effect?

Climate Change: What evidence is there of climate change?

How much of the climate emergency has been caused by humans?

Ext write: Is it beneficial living in a glacial environment?

Glaciation: How is climate change impacting glacial environments?

Glaciation: Is it beneficial living in a glacial environment?

Glaciation: How are glaciers formed?

Glaciation: When was the British Isles glaciated?

Glaciation: What are the features of a glacial environment?

Why is glaciation so important?

### Year 9 Autumn Term 1

Climate Change: How has our climate changed through time?

Climate Change: What are the natural causes of climate change?

Climate Change: What are the human causes of climate change?

Climate Change: What are the impacts of climate change on the weather? (2 lessons)

Climate Change: What is sea level rise?

Summer Holidays

### Year 9 Autumn Term 2

Ext write: Assess which cause of climate change has the greatest impact.
