MIXED MEDIA:-

In this project, we are going to explore our local area and the architecture and buildings in and around Atherton.

We will be looking at the work of artists Percy Kelly, who is a painter of landscapes and Joshua Smith, a 3D sculptor and miniaturist.

We will be producing work in the style of both artists but our final outcome will be a mixed media sculpture of a building in Atherton.

We will take into account the bricks, pipes, windows and roof and use a variety of materials to achieve this appearance: -

- Cardboard
- Paper
- Corrugated card
- Wallpapers
- Textured papers
- Labels and stickers
- Paint
- PVA glue

What else can you think of?

The Big Question...

How can I recreate my town using mixed media techniques?

Activity: What building in Atherton would you like to recreate?
