School Uniform

Respect. Responsibility & Ambition

School Uniform

At Atherton High School we have the very highest standards regarding uniform and take pride in the school and in appearance.

School uniform plays a key role in promoting pride, self-confidence, and a feeling of belonging within the student body. These factors contribute to students' wellbeing, removing the additional pressures of deciding what to wear and added stress of meeting the expectations of their peers. Uniform removes the points of difference between students, thus unifying the student body and providing a greater focus on academic work.
